Announcements:

We welcome Carolyn Foggo, Early Childhood Educator to our Preschool/Daycare. Carolyn will be teaching the preschool classes on Tuesdays, Wednesdays, and Thursdays.

This month Jessica will be leaving the Centre. Jessica will be travelling for a few months with plans to return to University when she returns. She will be missed by the Children and Staff at the Preschool/Daycare and After School Program. Irene has accepted the Managerial position and is in training for the first two-weeks of February.

The weather is still quite unpredictable; please ensure your child has warm clothing for outdoor play. As well, for those needing extra clothing for 'toileting accidents' please have a second set of clothes available for your child. Happy Valentines Day to Everyone!!

Not all superheroes have capes,
some have Early Childhood degrees.
